Young People's Concert Series

The Mobile Symphony's Young People's Concert series offers the perfect field trip for students to unplug the ear buds and discover the power of live music. This 45-minute interactive concert, appropriate for grades K - 5, includes iconic pieces of classical music ranging from Copland's *Fanfare for the Common Man* (a familiar Olympic theme) to Stravinsky's *Rite of Spring* to Tchaikovsky's *Symphony No. 4*. Students learn instrument identification and families, textures, basic rhythmic structure, high/low, soft/loud, etc. Seating is limited, so reserve a place for your school soon. Deadline for reservations is Wed., Dec. 4, 2019.
