“Why do we teach music? Not because we expect you to major in music. Not because we expect you to play and sing all your life. Not so you can relax. But so you will be human. So you will recognize beauty. So you will be sensitive. So you will have something to cling to. So you will have more love, compassion, more gentleness, more good, in short, more life. Of what value will it be to make a prosperous living unless you know how to live? That is why we teach music.”
