Please join the Mobile Symphony Orchestra &
Scott Speck for our 2023 Young People's Concert

WHEN INSTRUMENTS ROAMED THE EARTH!

From the creative team behind PBS's "Barney & Friends"

This multi-media concert event includes a lively narrator and projections of amusing illustrations that bring to life the fictional story of Paleo-Musicologist Sir Humphrey Treble-Clef, who imagined that dinosaur-like creatures were the ancient ancestors of today's orchestral instruments.

Monday, January 23rd, 2023

Two performance times:

9:00 A.M.

10:30 A.M.

Saenger Theatre

6 S. Joachim St. Mobile, AL 36602

Mobile Symphony's production of
When Instruments Roamed the Earth!
is funded by a generous grant from the
Alabama State Department of Education.
